

# Create Musical Map Assignment

**Requirements:** Create a Listening Map with iMovie

---

## Basic Assignment Option:

Step 1: Identify a phrase from a musical example, or a short song (**12-16 measures**), that you want to create a listening map for.

Step 2: Using Inspiration, create a listening map for the chosen piece of music.

Step 3: Identify each of the voices, instruments, and important aspects of the piece.

Step 4: Determine a symbol to represent each of the items identified in Step 2.

Step 5: Use at least **3** different symbols.

Step 6: Create an object to represent each symbols' path along the map.

Step 7: Submit the final product to your instructor via email.
